

## Dumpster Rental Disclaimers/Information Sheet

-Curb Line Delivery is standard procedure. If requested to deliver past the curb line, Premium Supply, Transit & Dumpster LLC. Will not be liable for damage to sidewalk, driveways, landscape, lawn, or property above & below ground

-We cannot unload under tree limbs, obstacles or power lines

- If the driver cannot get to the requested unloading position the dumpster will be left on the street in front of home. If this is not desired Client will be billed 70\$ per hour from port to port

-If the vehicle is damaged or towing is required due to past curb line delivery, all costs will be paid by purchaser

-Maximum unloading time is 10 Minutes if the driver is forced to wait or delivery takes longer a charge of 70\$ per hour will be applied for the truck. Purchaser assumes responsibility, please make sure area is clear of vehicles and obstacles

-The maximum ground lifting capacity is 4-5 tons. If overloaded at time of pickup customer will be charged a delivery fee and will have to empty the dumpster and have us pick up another day. Please consider when loading heavy materials such as dirt, soil, concrete.

Once it is lifted on the truck, the truck can haul up to 9-10 tons.

-Premium Supply, Transit & Dumpster LLC. Is not responsible for damage the dumpster may cause during the unloading process.

-Once rental period is up (7 Days) 10\$ per day will be applied everyday past the rental period

-Please keep driveway clear of snow & ice

-Please make sure to close and lock the dumpster door
